Sort by relevance | Sort by date (new first) | Sort by date (old first)

Automated penetration analysis **system** and method

US Pat. 5485409 - Filed Apr 30, 1992 - International Business Machines Corporation

Thus, in addition to the **access-control policy** modules, which are encapsulated by the Reference **Monitor** Mechanism, the TCB usually contains other security ...

Security framework for dynamically wrapping software applications executing ...

US Pat. 6658571 - Filed Feb 9, 1999 - Secure Computing Corporation

General **access control** list 507 contains general **access** executes the **system call** handler within the operating **system 45 control** rules for user 113. and ...

Telephony security **system**

US Pat. 6320948 - Filed Jun 14, 2000 - SecureLogix Corporation

The **system** utilizes a specialized device to **monitor** and **control access** to every ... for **control** of call traffic by the device defines a security **policy** that ...

Security **monitor**

US Pat. 5974549 - Filed Mar 27, 1997 - Soliton Ltd.

Windows provides **access** to all its operating **system** services through more than-a ... examine its return value and return program **control** to the **application**. ...

Telephony security **system**

US Pat. 6248575 - Filed Dec 11, 1998 - SecureLogix Corporation

The **system** utilizes a specialized device to **monitor** and **control access** to ... of an example detect and analyze call activity **process** for the **system** of FIG. ...

Security **system** and method for computers connected to network

US Pat. 5919258 - Filed Feb 6, 1997 - Hitachi, Ltd.

The message prepared in step 64 is sent to the resource **access control** unit 23 ... the filed **system control system call** unit 29 scanning the **access file** ...

Method and apparatus for interconnecting a circuit-switched telephony ...

US Pat. 6338931 - Filed Dec 28, 1998 - Cisco Technology, Inc

The **system 2** may carry out **access control**. For example, based on attributes of a message, **system 2** applies a predefined **access control policy** and allows or ...

Secure network file **access control system**

US Pat. 6678828 - Filed Jul 22, 2002 - Vormetric, Inc.

Authorization responses are generated and returned by the authentication and **access control process** 120 based on the user and client authentication **policy** ...

Mechanism for linking together the files of emulated and host **system** for

Patents 1 - 20 on process access contro

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Automated penetration analysis **system** and method

US Pat. 5485409 - Filed Apr 30, 1992 - International Business Machines Corporation

Thus, in addition to the **access-control policy** modules, which are encapsulated by the Reference **Monitor** Mechanism, the TCB usually contains other security ...

Efficient security **kernel** for the 80960 extended architecture

US Pat. 5504814 - Filed Jan 24, 1994 - Hughes Aircraft Company

Access decisions specified by the **policy** are based on information in an abstract **access control** database. The **access control** database embodies the security ...

Security framework for dynamically wrapping software applications executing ...

US Pat. 6658571 - Filed Feb 9, 1999 - Secure Computing Corporation

General **access control** list 507 contains general **access** executes the **system call** handler within the operating system 45 **control** rules for user 113. and ...

Secure network file **access control system**

US Pat. 6678828 - Filed Jul 22, 2002 - Vormetric, Inc.

Preferably, the authentication and **access control process** 120 includes a **policy** store representing the administratively determined, functionally supported ...

Object-oriented multi-media architecture

US Pat. 5946487 - Filed Jun 10, 1996 - LSI Logic Corporation

The data that a program or **process** can **access** and change directly is limited ... hardware to trap into the **kernel**, which then takes **control** of the machine. ...

Mechanism for linking together the files of emulated and host **system** for ...

US Pat. 5572711 - Filed Sep 23, 1994 - Bull HN Information Systems Inc.

In the case of server 940, host **access control** mechanisms are used. ... As shown , level 64 includes a **kernel process** manager component 70, ...

Multilevel security port methods, apparatuses, and computer program products ...

US Pat. 5945068 - Filed Dec 16, 1996 - Sun Microsystems, Inc.

Together, labeling and mandatory **access control** implement a multilevel security **policy** — a **policy** for handling multiple 10 25 information classifications at ...

Method and apparatus for trusted processing

US Pat. 5841869 - Filed Aug 23, 1996 - Cheyenne Property Trust

If the operating system has a **kernel** function, eg a print module, then a print **process** may be inhibited by the **policy**, ie the user can look at certain ...

Secure network file **access** controller implementing **access control** and auditing

US Pat. 6331530 - Filed Jul 22 2002 - Vormetric, Inc.

Result Page: [1](#) [2](#) [3](#) [4](#) [5](#) [6](#) [7](#) [8](#) [9](#) [10](#) **Next**

Patents 1 - 20 on application data handling

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Secure network file access control system

US Pat. 6678828 - Filed Jul 22, 2002 - Vormetric, Inc.

4, **packet control** information 114 and **application** information 122, ...

Preferably, the **handling** of the various possible types of **policy** set discrimination ...

Control structures for contention-based packet data services in wideband CDMA

US Pat. 6333008 - Filed Apr 29, 1998 - Nokia Mobile Phones Ltd.

Another object and advantage of this invention is to provide a method and system for **handling** multiple **access** of **packet data** users over dedicated traffic ...

Access control for networks

US Pat. 6219706 - Filed Oct 16, 1998 - Cisco Technology, Inc.

10 25 **ACCESS CONTROL** FOR NETWORKS BACKGROUND OF THE INVENTION This invention relates ... **packet** filtering mechanisms have difficulty **handling** FTP and most ...

Multilevel security port methods, apparatuses, and computer program products ...

US Pat. 5845068 - Filed Dec 18, 1996 - Sun Microsystems, Inc.

If the port is presently in use, then a mandatory **access control** protocol ... any **application data** to the header to create a datagram or message **packet**. ...

Scheduled alias resolution

US Pat. 6836605 - Filed Jul 25, 2000 - Sprint Communications Company L.P.

Another solution is the Corn- **control** and not for **application data**. ... If the **packet** is not encoded for **access control**, the unavailable, and a secondary ...

Secure network file access controller implementing access control and auditing

US Pat. 6931530 - Filed Jul 22, 2002 - Vormetric, Inc.

4, **packet control** information 114 and **application** information 122, ...

Preferably, the **handling** of the various possible types of **policy** set discrimination ...

Telecommunication access management system for a packet switching network

US Pat. 5113499 - Filed Apr 28, 1989 - Sprint International Communications Corp.

Packet-switched data is trans- BACKGROUND OF THE INVENTION mitted through the network ... to **control** the DTE's **access** to the net- packets along the network. ...

High resolution access control

US Pat. 6826694 - Filed Oct 22, 1999 - AT&T Corp.

The **access control** proxy analyzes the contents of the **packet**, and identifies ...

Patents 1 - 20 on application data handli

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Secure network file **access control** system

US Pat. 6678826 - Filed Jul 22, 2002 - Vormetric, Inc.

Preferably, **packet payload data** presented to the secure 45 network file ... As another example, **read-write access** of the network storage resources 156 by ...

Secure network file **access controller** implementing **access control** and auditing

US Pat. 6931530 - Filed Jul 22, 2002 - Vormetric, Inc.

Preferably, **packet payload data** presented to the secure 45 network file ... As another example, **read-write access** of the network storage resources 156 by ...

Architecture for high performance management of multiple circular FIFO ...

US Pat. 5519701 - Filed Mar 29, 1995 - International Business Machines Corporation

FIFO storage means in a **data** communication system **handling packet** and. multimedia ... to **control** gating the base pointer into the **read/write** pointer array. ...

Apparatus and method for optimizing **access** to memory

US Pat. 6735679 - Filed Jun 23, 2000 - Broadcom Corporation

MRU 136 prefetches the **data packet** 112 from the appropriate memory, ... **read/write** memory commands and ACKs, **read/write** register command and ACKs, etc. ...

High performance self balancing low cost network switching architecture ...

US Pat. 6335932 - Filed Jun 30, 1999 - Broadcom Corporation

MRU 136 prefetches the **data packet** 112 from the appropriate memory, ... **read/write** memory commands and ACKs, **read/write** register command and ACKs, etc. ...

Memory **access circuit** for **handling data** pockets including **data** having ...

US Pat. 5319769 - Filed Sep 11, 1990 - Sharp Kabushiki Kaisha

When the **read/write** flag 5 from transfer **control** circuit 201 is output from delay shows a ... The first **packet** is passed to the **data** described hereinafter. ...

High-speed **packet switching** apparatus and method

US Pat. 5335325 - Filed Mar 26, 1990 - Kendall Square Research Corporation

The destination can be another **data handling** or **data** communication apparatus or system. ... line processors that **control access** to user lines, and a central ...

Apparatus of fault-**handling** in a multiprocessing system

US Pat. 4436494 - Filed Aug 25, 1981 - Intel Corporation

The memory bus is a **packet-oriented** bus. A **packet** is US Pat. No. ... addressed reply: for **data** return **Packet control** signals allow look-ahead for bus **access** ...

Patents 1 - 20 on read write access control

Sort by relevance | Sort by date (new first) | Sort by date (old first)

Secure network file access control system

US Pat. 6678828 - Filed Jul 22, 2002 - Vormetric, Inc.

The **policy set** discrimination failure handling preferably further defines the **type** and content of any NFS/CIFS 5 network **file error data** packets generated ...

Computer-based communication system and method using metadata defining a ...

US Pat. 6088717 - Filed Aug 31, 1998 - OneName Corporation

3) can **read, write**, or delete such instances. This would prevent different ...
For external **file data, data type control** can be particularly useful. ...

Computer-based communication system and method using metadata defining a ...

US Pat. 5862325 - Filed Sep 27, 1996 - Intermind Corporation

3) can **read, write**, or delete such instances. This would prevent different ...
For external **file data, data type control** can be particularly useful. ...

Secure network file access controller implementing access control and auditing

US Pat. 6931530 - Filed Jul 22, 2002 - Vormetric, Inc.

The **policy set** discrimination failure handling preferably further defines the **type** and content of any NFS/CIFS 5 network **file error data** packets generated ...

US Pat. 6345286 - Filed May 15, 2000 - OneName Corporation

3) can **read, write**, or delete such instances. This would prevent different ...
For external **file data, data type control** can be particularly useful. ...

Load and store unit for a vector processor

US Pat. 5961628 - Filed Jan 28, 1997 - Samsung Electronics Co., Ltd.

... **data type**; and a request **control** circuit coupled to the **read/write data path**
... the 30 request **control** circuit for providing memory **access** requests to ...

Dynamic programming of bus master channels by intelligent peripheral devices ...

US Pat. 5752076 - Filed Aug 31, 1995 - Intel Corporation

... performing the memory **access** operation and coupled to receive **data read** from
... **control type**, the starting address packet including the **read/write bit**. ...

Access control policies for an object oriented database, including access ...

US Pat. 5335346 - Filed Dec 12, 1991 - International Business Machines Corporation

The **access control** lists span across the objects. Furthermore, not only does the **access control** lists provide **read** and **write** permissions, but also provides ...

Device, system and method for data access control

US Pat. 6324537 - Filed Sep 30, 1999 - M-Systems Flash Disk Pioneers Ltd.

Result Page: [1](#) [2](#) [3](#) [4](#) [5](#) [6](#) [7](#) [8](#) [9](#) [10](#) **Next**
